

If I am a grower in the Coachella Valley, do I need to join the CVILC?

* Membership in CVILC enables growers to be in compliance with the Irrigated Lands Regulatory Program (ILRP) General Order, adopted by the Colorado River Basin Regional Water Board in November 2020. Other Water Board orders that include managed applications to cropland are **not** required to have additional coverage under the ILRP. An example of another order is the Confined Animal Facility Order (i.e., dairy, poultry, bovine). Growers who were members prior to 2020 were automatically enrolled in the new ILRP program.

How do I become a member of CVILC?

Complete a new membership form online at <http://cvilc.org/membership/>
OR

Contact us via email at contact.us@cvilc.org or by phone at (530) 756-5200 ext. 1010

How much does a membership cost?

There is a one time membership fee and annual fees of \$8.50 per acre.

What are my member requirements?

Obtain coverage by joining the Coachella Valley Irrigated Lands Coalition (CVILC) and paying annual dues.
Implement best management practices.
Prepare plans and reports on practices.
Attend annual grower meetings.

What if I am already a member?

Great! Did you know CVILC has a Member Portal?
Visit us at <https://cvilcmemberportal.com/>
